-

EDUCATION

BACHELOR OF SCIENCE IN COMPUTER ENGINEERING

Colegio de Muntinlupa

EXPECTED GRADUATION: 2026

- **Relevant Coursework:** Operating Systems, Database Management Systems (DBMS), Microprocessor Systems, Data Structures & Algorithms, Logic Circuits.
-

SKILLS

- Object-Oriented Programming (OOP) Logic
 - Database Management Systems (DBMS)
 - Operating Systems & Microprocessor Architecture
 - Data Structures & Algorithms
 - Full-Stack Web Development Principles
 - Advanced Computer Diagnostics & Troubleshooting
 - Microsoft Office Suite & Administration
 - System Analysis & Logic Design
-
